Hi Karin,

Thank you to you and Cath for taking the time to meet with Deirdre and me on Monday to discuss the Opua–Ōkiato ferry.

The extensive background and supporting information you provided, together with the additional material from Jane Hindle, has been very helpful. I recognise the considerable time and effort that has gone into gathering this information and setting out the history of the issues surrounding the ferry. I would also be grateful if you could send me a copy of the original 2003 judgment and the Commerce Commission material you mentioned.

As discussed on Monday, my first step will be to speak with the Commerce Commission and then write to them regarding the ferry fares and the concerns that have been raised.

Regards
Grant
